The Total Amount Spent in USD for Each Artist

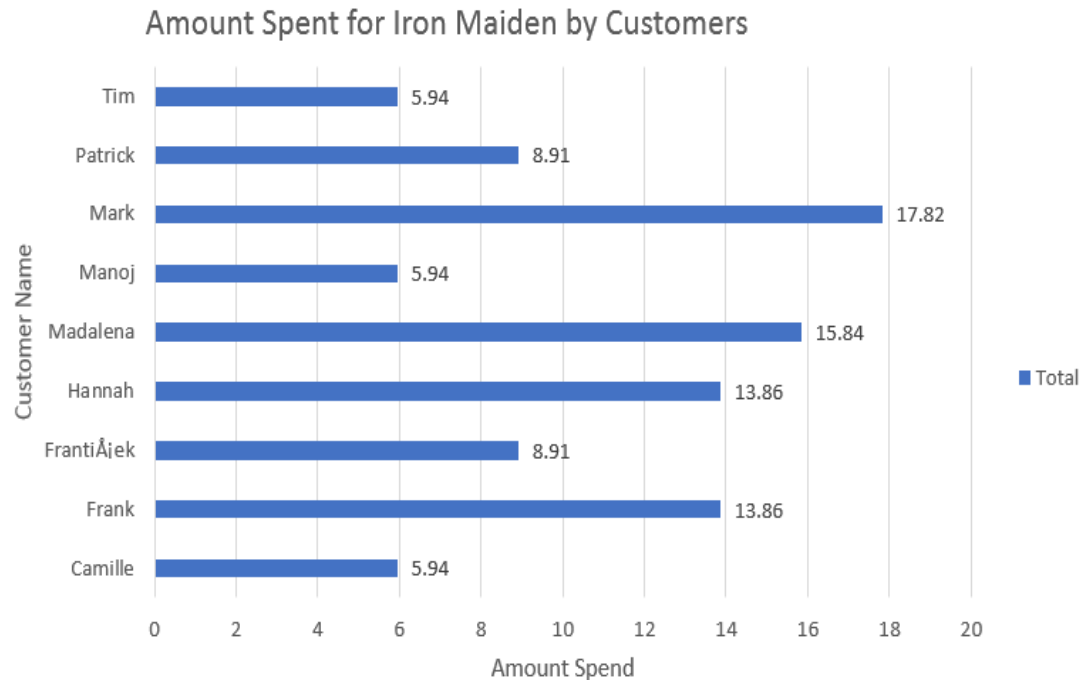

The Customers has spent the most USD on the Music from Iron Maiden.

The closest follower is U2.

No other Artists have Customers who have spent on them over 100 USD.

The last spot on this Table holds Battlestar Galactica.

Total Amount Spent by customers Only On Artist Name (Iron Maiden)

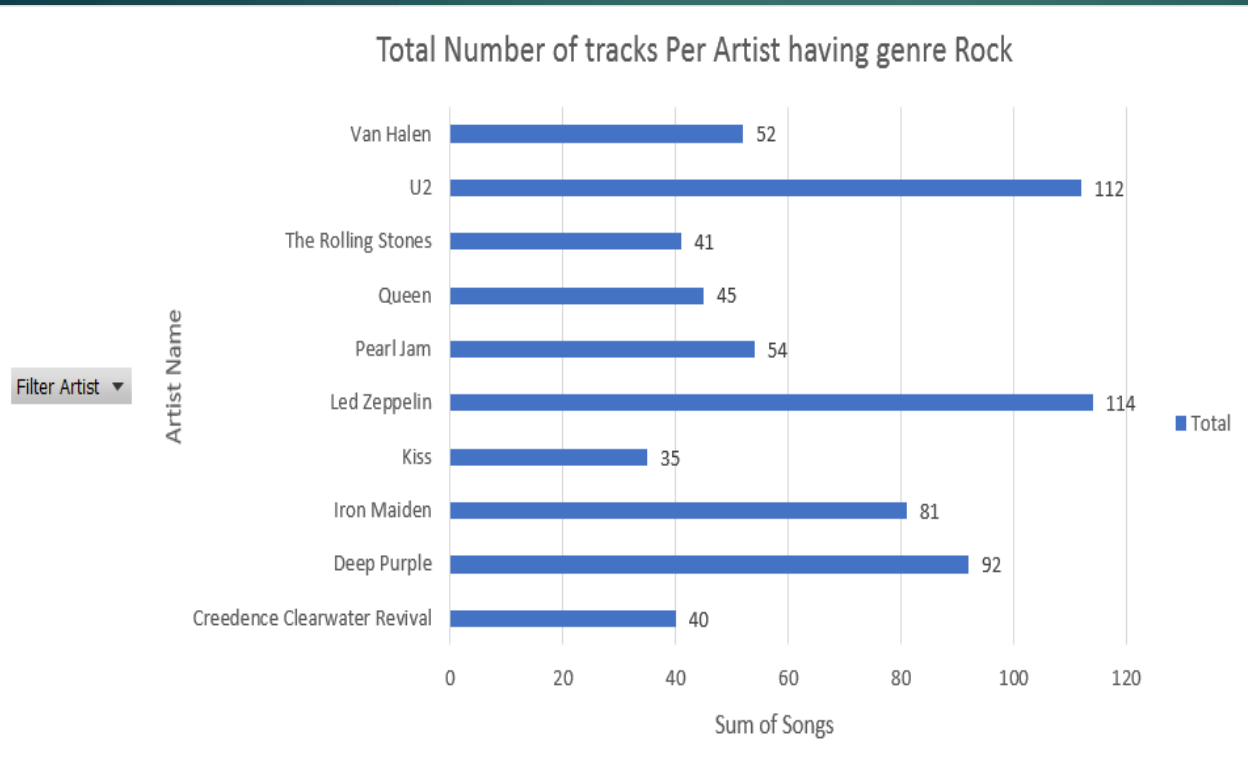

In this Slide, we can see that Mark seems to be the top Fan as he has spent the biggest Amount on Iron Maiden.

Tim, Manoj and Camille are on the other End of the Table and they have spent the same total amount.

So did Frank and Hannah.

It is highly possible, that the customers who spent the same total amount might have bought the same number of tracks from Iron Maiden.

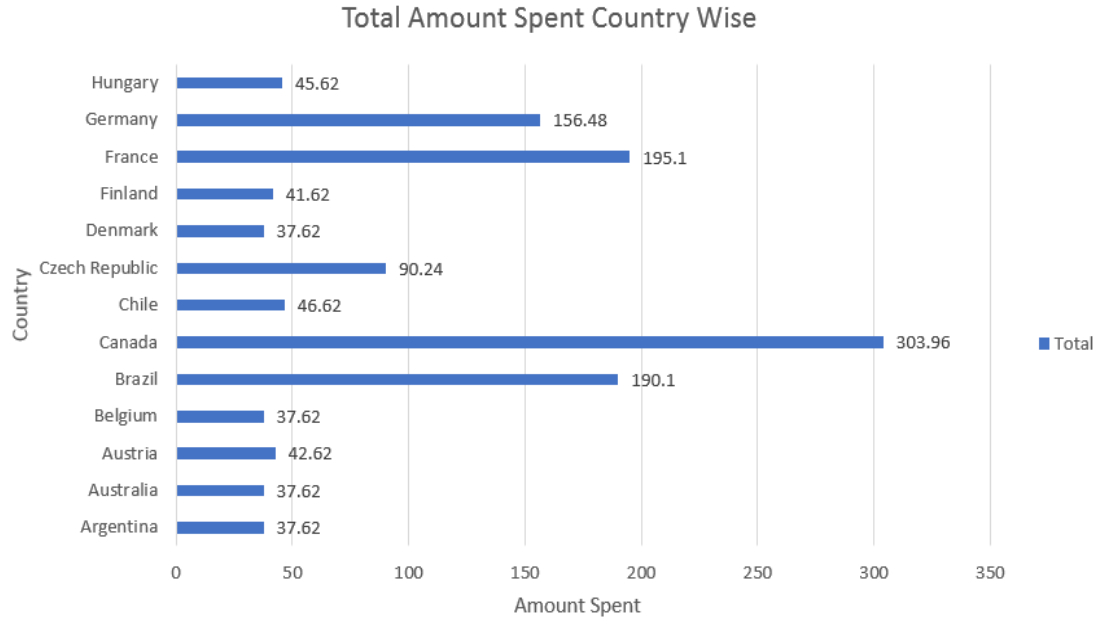

Total Number of Tracks Per Artist having Genre Rock

As this Slide shows, Led Zeppelin is leading with 114 Songs.

After Led Zeppelin, U2 follows with 112 tracks. They are the only two rock artist who have tracks above 100 Songs.

Total Amount Spent by Customers Based on Country

As we can see here, Canada has the most Customers who are ready to spend for their favourite Artists.

France and Brazil are following with an Amount of 195.1 USD, and 190.1 USD.
